

World-class cancer care. Now open, right down the road.

Geisinger Cancer Center Dickson City is now open

No more driving to cities for comprehensive cancer treatment. Now that the new Geisinger Cancer Center Dickson City is open at the north end of Viewmont Drive, you have the care you need near home. And with a team of physicians, nutritionists, therapists and many others focused on your wellness, you can have confidence you're in expert hands.

An array of treatment options in a state-of-the-art space:

- 22 infusion bays and 3 multidisciplinary spaces
- Hematology and oncology
- Radiation oncology
- Pharmacy and laboratory
- Palliative medicine
- National Cancer Institute-sponsored clinical trials

Always the best cancer care. Always Geisinger.
